

DNA Bank Withdrawal Form

Use this form if you have already banked your DNA with PreventionGenetics and would like to withdraw a portion of this DNA. Please write legibly.

The following information is required:

1. The full name of the Depositor.
2. The Deposit Number.
3. The amount of DNA to be withdrawn and the address of the laboratory to which it should be shipped. The lab will tell you how much DNA they require.
4. Payment or payment information.
5. The name of the person completing this form if other than the Depositor.
6. Signature of the Depositor or the Parent, Guardian, or Representative of the Depositor.

When complete, please mail or fax this form to PreventionGenetics at the address shown at the bottom. No withdrawals will be made without a signed Withdrawal Form. A confirmation of the withdrawal will be sent back to you.

Depositor's last (or family) name: _____

Depositor's first name: _____

Depositor's middle name(s) or initial: _____

Deposit Number (from signature page of Banking Agreement): _____

Name of person completing this Form (if other than Depositor):

Address of person completing this Form:
Street _____

City: _____ State: _____

Zip or Postal Code: _____ Country _____

Phone Numbers (include area codes):
Home _____ Work: _____

Email Address: _____

Name and address of the lab to which the DNA should be shipped:

Amount of DNA to be shipped: _____

(If you don't know the amount of DNA to be withdrawn, we will contact the lab and send what we believe to be the correct amount.)

The current cost of DNA withdrawals at PreventionGenetics is \$15.00 per withdrawal. This cost covers the labor involved in preparing the sample and shipping costs.

Your signature on this document means that you authorize the shipment of a portion of the Depositor's DNA to the laboratory listed above. Once the DNA is shipped, PreventionGenetics is absolved of all responsibility for this material.
