INTERNATIONAL SHIPPING INSTRUCTONS

Follow the instructions below and include the completed forms with the package to ensure the specimen can be shipped internationally to PreventionGenetics without delay.

The following two documents must accompany every sample:

- Commercial Invoice (three copies)
- Toxic Substance Control Act (TSCA) Certification Form

Complete the following steps when returning samples:

- Place sample, completed Test Requisition form and signed Informed Consent form inside Kit Box.
- Insert the Kit Box into the Federal Express (FedEx) Lab Pak with Pre-Paid label already on it and seal the Pak.
- Locate the Commercial Invoice and Toxic Substance Control Act Form (TSCA) in the clear pouch on the outside of the FedEx Lab Pak.
- Check for a signature on all three copies of the Commercial Invoice. If no signature is present, please sign all three copies (see example).
- Complete TSCA form. See instructions on the back of this brochure.
- Place the 3 copies of the Commercial Invoice and TSCA form into the clear pouch with TSCA form on top.
- The sample is ready to ship. Give to FedEx Driver or call FedEx for pick-up.
